## Global Navigator

Chubb Insurance customers have access to our exclusive Global Navigator service, which provides you with global access to a team of highly skilled experts who can respond if you or your family find yourself in a dangerous situation while away from home. This service can assist you in finding appropriate medical care, provide local legal advice and referrals, and help you during times of political unrest. The Global Navigator is your lifeline when traveling – and is included in every Chubb Masterpiece Homeowner Policy.
