

[Personal Insurance](#) / [Recreational vehicle insurance \(Trailers, Campers Motor homes\)](#)

How to lower your premium

- As a member of an association like the Fédération québécoise de camping et de caravanning (FQCC)
- Or if you have taken a driving course given by the FQCC. To obtain details, don't hesitate to consult <http://www.fqcc.ca/> .
- If your model is stationary or a park model and is parked on the grounds of a member of Camping Québec. To obtain details, consult this site now: <http://www.campingquebec.com/> .
- Having a device that prevents a vehicle being started or a tracking system.
- Opt for a higher deductible.

Contact your broker and he will make sure to apply the maximum discounts to which you are entitled so that he can get you a very competitive premium.
