Travel Insurance with Croix Bleue

Québec Blue Cross offers the best coverage in terms of travel insurance.

Let's discover why it is important to buy Travel Insurance.

RAMQ - Limits of provincial coverage

The Régie de l'assurance maladie du Québec (RAMQ) recommends that anyone travelling outside Québec carry travel insurance to cover health care received, even if you travel within Canada. It is in your own financial interest to do so. The RAMQ only reimburses a tiny part of costs incurred outside Québec; your savings can disappear quickly.
