Nautical Companies

Marine Expert is a "wholesaler" whose products are available through accredited insurance brokers. Companies involved or peripheral to the pleasure boating sector can find insurance solutions for their business activities.

Here are the types of nautical companies to which we can offer insurance coverages:

- Pleasure boat merchants
- Pleasure boat accessory merchants
- Repair facilities and mobile workshops
- Marinas, private-public
- Several other companies connected with nautical activities.

To have access to our insurance products, please contact an insurance broker in your area.
