Entertainment Industries

At Travelers, we understand that the magic of the entertainment industry comes from the imagination and creativity of its participants. We also understand that, while the world you create is fantasy, the risks you face are all too real!

We offer an integrated approach to the entertainment industry with standard and highly specialized coverage it needs. Our experts work with you to help determine how we can satisfy your unique insurance needs. So while providing insurance protection for dream makers may not seem exciting to you, for us, that's entertainment.

Our entertainment specialized coverage includes:

Motion Picture Production Package

- Cast protection
- Negative film & Video tape protection
- Faulty stock, Camera & Processing
- Props, Sets & wardrobe
- Miscellaneous equipment
- Third Party Liability
- Extra Expense
- Non Owned and Hired auto physical damage

Commercial General Liability

- Umbrella/Excess
- Errors and Omissions
- Special Event Liability
